

REMARKS

The Amendment is being submitted as a Supplement to the Amendment filed on January 14, 2008.

Claim 1 is amended herein to recite a range 30 to 60%, correcting an inadvertent error in the Amendment filed January 14, 2008 and restoring the original lower value of the thermal shrinkage range. No new matter has been added.

Applicants respectfully request the Examiner to consider the present claims in conjunction with the arguments otherwise presented in the Amendment filed on January 14, 2008, which are incorporated herein.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.
